

In compliance with the Directive 89/106/EEC of the Council of European Communities of 21 December 1988 on the approximation of laws, regulations and administrative provisions of the Member States relating to the construction products (Construction Products Directive - CPD), amended by the Directive 93/68/EEC of the Council of European Communities of 22 July 1993, it has been stated that the construction product

Load bearing welded structural steel components and kits.
Execution classes EXC1, EXC2, EXC3 and EXC4 according to EN 1090-2:2008.
Declaration of product properties: ZA.3.2 (Method 1) and ZA.3.4 (Method 3a)

produced by the manufacturer

Normek Oy
Oulun tehdas
Messipojantie 27, 90520 OULU

in the factory Oulu

is submitted by the manufacturer to the initial type-testing of the product, a factory production control and to the further testing of samples taken at the factory in accordance with a prescribed test plan and that the notified body Inspecta Sertifiointi Oy has performed the initial inspection of the factory and of the factory production control and performs the continuous surveillance, assessment and approval of the factory production control.

This certificate attests that all provisions concerning the attestation of factory production control described in Annex ZA of the standard

EN 1090-1:2009+A1:2011

were applied.

This certificate was first issued on **2012-11-07** and remains valid as long as the conditions laid down in the harmonised technical specification in reference or the manufacturing conditions in the factory or the FPC itself are not modified significantly. The validity of the certificate can be checked on the Internet at www.inspecta.fi.

The certificate is issued on 2012-11-07

Anne Quintus, Managing Director
